# The Wainwright Star

VOLUME 12, NO. 5

WAINWRIGHT, DECEMBER 17, 1919

C. R. Morrison, Proprietor

## To Our Readers

The Star is not fulfilling its functions as a local newspaper unless it is giving all the news of this town and district, and the only way it can do this is with the hearty cooperation of the townspeople, and outside residents at large. The management therefore asks for the assistance of the public.

Take an interest in the incidents surrounding you and give the news to your home paper. The Star wants to chronicle all the news of Wainwright. Show the neighboring towns that this is a live town and that we are doing things here. Tell of your meetings, socials, the coming and goings of your friends and acquaintances. Any items of news left at or sent to the Star office will be gladly published. Sign your name as an evidence of good faith. Your name will not necessarily be published, but we want to know from whom we are getting our information. You will find that the Star will be a better newspaper as a result of your cooperation.

**TEACHER WANTED**—2nd or 3rd class certificate. Duties to commence New Year Term. Apply to G. S. Baker, Wainwright, Alberta.

## REGULAR MEETING OF THE TOWN COUNCIL

TUESDAY, DEC. 16, 1919

The regular monthly council meeting was held on December 16. All members present except Councillors S. D. Mills and H. W. McLeod.

A communication from Acting Deputy Minister of Municipal Affairs was read, giving authority to sell by public auction, Lots 1 and 2, block 6, plan 645B. On motion, the secretary was authorized to advertise sale of said lots, according to the instructions of the Department, setting date of sale for January 10, 1920.

The report of the returning officer declaring the election of Mr. A. Scofield, Peter Dewar and Dr. S. E. Wiley as councillors for 1920-21, was accepted.

A communication and instructions from the Provincial Board of Health, re smallpox, was laid before the council and the secretary authorized to bring the matter before the local board of health so that action could be taken.

Finance committee passed accounts amounting to \$800.00.

A resolution was passed authorizing the secretary to rent an office in the Fieldhouse building, for use of the nurse, of the child welfare station established here.

A resolution of condolence re death of the late John Peirce, Late Deputy Minister of Municipal Affairs, was passed, and the secretary authorized to send copy of same to the Department.

The Property assessment committee reported and a resolution was passed in connection therewith, that a chair be purchased for the secretary's office.

A resolution was passed, to the effect that the period for stress on collection of taxes be extended to the end of the year.

At the close of the meeting, retiring councillors, J. W. Stuart and O. J. Elder, were thanked by the mayor on behalf of the town for the able and conscientious manner with which they had conducted the business and rendered services to the town during their term of office.

## Horse Racing and Breeding

In defense of horse-racing it is usually said that the sport improves the breed of horses. It may do so in Great Britain; it certainly does not in Canada.

Horse-racing is a mere money-making business in Canada. As shown by the report of one of the counsel engaged in the recent race-track investigation, the jockey clubs of Ontario exist not to make thoroughbreds still more thoroughbred, but to make dividends for wealthy shareholders in the clubs. And these dividends are so great that stock in the clubs sells at a high premium.

Profiteering could hardly be more flagrant. These clubs produce nothing, create nothing, do the country no good, yet they take toll of the earnings of thousands of people and make hundreds of thousands of dollars merely in exploiting a human failing. Apart from the moral aspect of the question, such an economic waste at a time when the whole energies of the country are required for the production of real wealth is impossible to justify.

## END OF THE WORLD

It is now announced that the end of the world, predicted to take place on December 17, has been postponed on account of the weather. Proceed with your Christmas shopping.

## WOMEN'S INSTITUTE

The annual meeting of the Women's Institute was held on Saturday, December 13th, at 3 p.m., in the Council chamber. There was a fair attendance of members. The election of officers took place for the year 1920, and the following ladies were elected:

President, Mrs. W. W. Yeager; 1st Vice Pres., Mrs. J. Middlemas; 2nd Vice Pres., Mrs. J. Church; Secy., Mrs. Wm. Stuart. Representative for constituency, Mrs. J. J. Armstrong, Fabian, Alta. Auditors, Mrs. E. Martin and Mrs. C. H. Turner.

Our branch here has been informed that the Alberta Women's Institute Advisory Board have organized a system of relief for those who have suffered from crop failure or other enforced causes, and has asked our cooperation. It is urgently requested that all those who can help this movement with a donation of clothes for both adults and children, or bedding, etc., will please send or leave same to the Park Hotel, Mrs. C. H. Turner being authorized to take charge, and further, will all those who know of any one in need of clothes, etc., kindly send names to Mrs. W. W. Yeager, box 50, Wainwright, or leave names with Mrs. Turner, also state what kind of clothes required, then a committee will see to the distribution of same. We would impress on everyone the urgency of this movement, as our central committee have instructed us in case no appeal being made in our community that all donations be forwarded to the distributing station at Calgary, as the Government is at the back of this movement, they defray all shipping expenses from outside points to Calgary.

## CARD OF THANKS

The Ribstone Women's institute wish to thank the president, Mrs. Adeline Lasell, of the Wainwright branch of the Red Cross Society, for the garments and supplies, valued at \$45.97, which were applied for by us to help a family in distress.

Signed, Mrs. L. J. Crittenden, President  
Mrs. Matt McCre, Secy-Treas

## CLASS LEGISLATION

### A TIMELY REMINDER

H. W. Wood, Esq.,  
President U.F.A.,  
Calgary, Alberta.

Dear Sir: I have been farming at this point for the past ten years and for several years have been a member of the U.F.A. I attended the Red Deer Convention as a delegate, heard you speak and since then have been strong for you and your views as expressed there. However, the statement you made a few weeks ago regarding the farmers' aim being class legislation I don't seem to get just right. I would very much like to believe you to be right but perhaps I do not quite understand your meaning. If you would explain that statement a little more thoroughly I would appreciate it very much.

Very truly yours,  
R. W. JOYCE,  
Allanburg, Alta.

December 1, 1919.  
R. W. Joyce, Esq.,  
Allanburg, Alberta.

Dear Sir: I have just received your letter of the 21st, and note the following sentence in the same: "The statement you made a few weeks ago regarding the farmers' aim being class legislation I don't seem to get just right."

In regard to the statement attributed to me in the above quotation from your letter, it would be very hard for me to explain it to your satisfaction or to the satisfaction of any other sane man or woman who believes in the basic principle of our organization, namely, "Equal and exact justice to all and special privileges to none."

The fact is I have never at any time, either on the platform or in private conversation, made such a statement. But I do believe in economic class organization because I believe in democratic civilization. I do not believe in class domination or class legislation because I do not believe in economic barbarism.

Yours most sincerely,  
H. W. WOOD,  
President.

I am publishing your letter and am replying because I think that the misunderstanding which you refer to arising out of party press misrepresentation is being cleared up, and this answer may help to clarify matters to others.

## Lifting Wheat Embargo

Lifting of the embargo on wheat imports into the United States in order to reduce the price of the finest grades at Minneapolis is not expected to benefit the Canadian farmer as much as he at first anticipated. It appears that there is but little No. 1 Northern wheat unsold or in the farmers' hands, and it is this and not the lower grades—which are plentiful in both countries—that the United States wishes to secure. Canada, it appears, has done well with her export of wheat this year. One-half of the total exportable surplus has already been sold and the rest will be in the course of the farmers' hands about 45,000,000 bushels remained about a month ago, but of course a great proportion of this will be needed for seed.

It is possible that 1919 may be the last year for high prices for Canadian wheat. Next year Europe with the exception of Russia will be producing as never before; India and Australia and other wheat countries will have returned to normal, and the building of ships will in great measure have rectified the shortage of tonnage. All these factors must bear adversely upon the price the Canadian farmer will receive in 1920.

## Land Settlement Figures

Already \$50,000,000 have been lent to returned soldiers for land purchase, for stock and for the improvement of land already owned.

Nearly 30,000,000 of the total has been advanced for purchase of farm areas, and \$10,000,000 for buying stock therefor. The number of applications for certificates exceeds 11,000, and of these over 31,000 have been approved. By provinces the approvals number: Alberta, 8,827; Saskatchewan, 7,982; Manitoba, 5,342; British Columbia, 3,980; Ontario, 2,995; and lesser numbers further east.

It might relieve the present complicated financial situation if sugar were substituted for gold as the standard of value.

About the only person a pedestrian feels like taking his hat off to this kind of a weather is the man who wears a coarser coat.

The old party politicians have placed a pin in the form of an election protest, on the seat Premier Drury proposed occupying.

About the only things that are not worrying about the high cost of wearing apparel are the keepers.

## BORDEN TO RETIRE THE SCHOOL CONCERT

RESIGNATION OF SIR ROBERT BORDEN IS VERY PROBABLE

Physicians Advise a Complete Rest

Since his return from the south Sir Robert has discovered that he has not recovered his health as he had expected. It is believed that his physicians have so strongly urged him to take complete rest from political turmoil that he has informed his colleagues he must resign. This, there is good reason to believe, is the cause of the secret session. The cabinet ministers have been discussing the situation thus created and the question of a successor.

The possibility of Sir Robert retiring has overshadowed the done in regard to them until the leadership is settled.

## END OF THE WORLD

Superstitious People Astonished To Find Old Earth Carrying On.

SAN FRANCISCO, Dec. 17. Professor Albert F. Porta, San Francisco meteorologist, from whose deduction on a planet configuration the prophecy of the world coming to an end today was said to have sprung, reported today the prognostications of the world's demise were greatly exaggerated.

## ANNOUNCEMENT

Owing to the Xmas rush it has been found necessary to have any news items, change of advertisement, etc., in the Star office no later than Mon. Dec. 22. Copy coming in after 6 p. m. on that date cannot be guaranteed to be published.

## CAVALRY HORSES CON-SIGNED TO THE PARK

A shipment of forty-two artillery horses, from Kingston Ontario, arrived here on Monday. They are consigned to the Buffalo Park, where they will winter. It is probable that they will be sent out to other parks further west, in the spring.

## WAINWRIGHT G. W. V. A.

The Wainwright G.W.V.A. have vacated their rooms on Second Ave., they are holding their next monthly meeting in the Council chamber, on Saturday, December 20th, at 8 p. m.

## CONCERT

The entertainment put on by the High and Public schools in the Elbie Theatre on Wednesday evening, was an event that will be remembered by those who were fortunate to attend.

The children played to a S.R.O. house, and the theatre never held a more appreciative audience, for every number was received with great applause, but only one encore was given, and that by the girls in the "Japanese Love Song."

The program commenced with "Red Riding Hood" by the children of the primary grades. Red Riding Hood played her part right through in an admirable manner, and although guarded by the fairies, was saved at the critical moment by the woodman, at whose hands the wicked wolf received a well deserved fate. The Ribbon Drill by the grade 3 girls was beautiful and little Miss Boucher of Heath, who played for the drill sure proved herself an artist at the piano.

Piano solos by Helen Aylroyd, Jeanne Messier, and Miss Connolly, and a duet by Sybil and Phyllis McLeod, were all well rendered and appreciated by the audience.

The "Cure for Discontent" by Mr. R. Scofield and a number of the smaller children was excellent, and if worked out in real life, it would be well deserved treatment for some adults that we know of.

The vocal solos by Miss Lorraine Fraser were very beautiful. Miss Fraser has an excellent voice and knows how to use it to good effect. Her number was one of the star events of the evening.

The "Japanese Love Song" by the seven high school young ladies in oriental costumes was beautiful. The young ladies acted their respective parts a "La Madame Petrova" and sure scored a hit with the audience, who declared it to be

one of the best numbers on the program.

Club swinging by the high school boys showed the fruits of a long and careful training, as the boys went through the long and difficult drill without an error.

Last, but by no means least, was "Something New". Miss Sophie Kenny as Lord Bigwig, brought down the house when she appeared, and again when she skated backwards into the hole in the ice.

Lord and Lady Blessing—Helen Aylroyd and Miss Lorraine Fraser—were greatly distressed by the conduct of their daughter, Terpsichore—Miss D. McLeod—who was expelled from Alberta college by Lord Bigwig because she persisted in smoking cigars. However, when she rescued Lord Bigwig from the cold waters everything adjusted itself.

The entertainment came to a close with the singing of O Canada. Great credit is due to Principal Bremner and his staff, as well as the others who assisted, for their untiring efforts in training the children. They may be justly proud of the success which crowned their efforts.

## CURLING COMPETITION

The inter-rink curling competition is nearing a finish with W. E. Zickham's rink leading and that of A. E. Mills coming second. Much enthusiasm is being shown in the good old game this season.

## \$10,000,000 TO NEW YORK

The Canadian Government has sent ten millions in gold to New York to meet some pressing loan obligations. That should have some effect on the exchange rate between the two countries for a short time at least.

In the matter of maintenance the coal bin is more costly than the drawing room.

It is suspected that the agitation in favor of a more elastic currency is rather true propaganda.

## SPECIAL.... ANNOUNCEMENT

On account of greatly advanced cost of material, and increased cost of doing business, we have after much consideration, decided to place our business on a strictly cash basis. By doing so we will eliminate all bad debt, to have book keeping expense, thereby being in a position to give our customers the greatest possible value for their money. As the action will call for the closing of our books, we beg to advise all those knowing themselves to be indebted to A. Scofield, Wainwright, to settle their accounts before the 31st of December, 1919, after which date all accounts unpaid will be placed in the hands of a lawyer for application and costs charged to each account.

## RED CROSS SOCIETY

### WAINWRIGHT BRANCH.

The annual meeting of the Wainwright branch of the Red Cross Society will be held on Monday, December 19th, at 3 p.m. in the Council chamber, and all members are requested to be present at this meeting. The principal business of which will be the election of officers for the ensuing year. The reading of the report of work done by the branch in the past year, and the receiving of the report of the delegates to the Provincial Red Cross Convention, held in Calgary last week.

The word "members" include all persons who contributed the sum of one dollar or over to the Red Cross funds of the Wainwright branch during the last year subscriptions were solicited in this district. This means that at least one person in nearly every home in Wainwright is a member of the society at present.

The important and responsible position, now held by the Red Cross Society, under the signatory of Canada to the League of Nations, agreed to, under article 25, will appeal to the honor, loyalty and patriotism of every individual as well as every patriotic organization for its recognition and support.

Under the new order of things, the work of the Wainwright branch for the coming year will be chiefly as follows:

- 1st—The maintenance of at least a "skeleton branch" in order to hold charter.
- 2nd—To give every possible assistance to the Government district nurse now stationed here, in her work in connection with the Child Welfare station.
- 3rd—To encourage and assist, if necessary, the junior Red Cross work which will shortly be introduced into every school in the province by the Minister of Education, the Hon. George P. Smith.
- 4th—To care for, as far as able, all the needy and poor in the district, special attention being directed to the families of the "returned men".

These donations will in future be subject to the approval of the local health officer or the Government district nurse.

One great reason for Wainwright branch to hold its charter in future Red Cross work, is to show its appreciation of the distinction and honor given Wainwright by the Government in choosing it as one of the 12 centres in the province where a district nurse has been stationed and a child welfare station established.

The retaining and maintaining of this station is a very important matter when considered in connection with a municipal hospital for Wainwright in the near future.

It is earnestly hoped that a good number will turn out to our annual meeting on Friday next.

Adelina O. Lasell,  
Pres. Wainwright Branch  
Red Cross

## CHRISTMAS SERVICES IN THE CHURCHES

### METHODIST NOTICES

The Xmas entertainment will take place on Monday evening next, at 8 o'clock. A big time for the kiddies is planned. A collection will be taken.

### Local Notes

The Union mid-week meeting was held on Tuesday evening in the Methodist Parsonage, Rev. J. B. Thompson, of the Presbyterian church leading the study hour.

Grace Methodist Sunday school annual Christmas entertainment will be held in the church on Monday next, a good time is expected.

Greenshields Union Sunday School is holding a Christmas social and entertainment at the school on Monday next.

Mr. W. Doble, of the mechanical staff of the Star, paid a flying visit to Edmonton this week. He says that while the Post Office at Edmonton is a trifle larger than the Wainwright edifice, it is 't as nice.

Mrs. Arkwright was taken ill at the beginning of the week. We trust that it is not serious and that she will soon be around again.

### WAINWRIGHT U. F. A.

A special meeting of the U.F.A. is called for Saturday afternoon, at 1.30, in the Council chamber.

### EDMONTON GIRL SHOT A FINE BIG MOOSE WEST OF EDMONTON

Miss Mollie G. Stapley Brings Down Big Game at Mackay On G. T. P.

One of the finest moose shot in the Edmonton district will be on exhibition Saturday at P. Burns and Co., Jasper Ave., having been brought down by an Edmonton girl, Miss Stapley, 9332 101st avenue, at MacKay, 100 miles west, on the G.T.P., recently, during a hunting trip, five miles from the lumber mill of her father, T. B. Stapley.

The moose weighs over 1,400 pounds, the antlers have nine points with a spread of four feet. At the time of the shooting there were eight hunters in the party, and when Miss Stapley sighted the moose herd, three of the animals were lying down. On taking fright they made a dash for safety, but the merrily rifle of the girl brought down the biggest member of the trio.

Miss Stapley has had long experience with firearms, having begun target practice at seven years of age. She is but eighteen years old at present, and is possibly the best shot among the feminine sex in the Edmonton district.

### WAINWRIGHT U.F.W.A.

The annual meeting of the Wainwright U.F.W.A. was held on Saturday, December 6, 1919, Mrs. R. H. Watson, President, in the chair. There was a good attendance of members. A visitor, Mrs. Clark, of Clark Manor, Irma, Alta., gave a very instructive address. Mrs. A. McLean read her report on the secretary's convention, held at Edmonton just recently. Some interesting correspondence was read. The following officers were then elected for the coming year, 1920—

President, Mrs. J. Church; Vice-Pres., Mrs. Leon Benn; Secy-Treas., Mrs. Ganderton. Mrs. P. A. McLean moved a vote of thanks to the retiring president, Mrs. R. H. Watson. The meeting then adjourned, and refreshments were served by the returning officers.

### Gilt Edge Notes

Gilt Edge local U. F. W. A. held their regular monthly meeting at the home of Mrs. J. R. Allison. There was a good attendance of members and considerable business was transacted. Luncheon was served by the hostess.

The next meeting of the local U.F.W.A. will be held at the home of Mrs. E. Goddard.

Week end visitors to town were Frank Traynor, Wm. McNern, Levi Green, Ed. Goddard, L. Davis, E. Wilhelm, Mr. and Mrs. Beasley and J. R. Allison.

Mr. Bob Harris returned to Lloydminster last week.

Mr. E. D. Muncourt has left on a holiday trip to the U. S. where he will visit relatives and friends.

George Babb and Tom Sheridan were to Winnipeg last week with a shipment of cattle.

The Babb family had a very narrow escape from coal gas poisoning.

The community social, held here last week, under the auspices of the local U.F.A. proved to be the most enjoyable event held in this district for some time. A long and varied program was rendered by our local talent who lived up to their reputation in excellent style. Although the weather was extremely cold, there was a good attendance and they all went away feeling that they had braved the weather for something worth while.

In reporting the dance and concert given by Church Bros. a couple of weeks ago, the song that was so ably rendered by Mrs. J. Dolan was overlooked.

We omitted to mention in the report of the social that the recitation given by Mrs. P. Peeter was well given and received.

Richard McNern and Wm. Wood are visitors to town.

## Hon. Dr. Tolmie to Discuss the Mange Problem

The mange problem has probably been one of the most serious in connection with the live stock industry in Southern Alberta. With the election of the Hon. Dr. Tolmie as Dominion Minister of Agriculture with his wide experience in veterinary and live stock matters the stock men felt that every possible effort would be made to eradicate the mange nuisance as soon as possible. The Minister of Agriculture has held two or three meetings during the summer and fall with the stock men in Calgary and the veterinary general also attended meetings of stock men at several points in Alberta which shows that no opportunity to go into the situation at first hand is being overlooked. A wire has just been received from Hon. Dr. Tolmie by E. L. Richardson, secretary of the Alberta Live Stock Association and the Western Canada Live Stock Union, requesting him to call a meeting of all stock men interested in the mange question to confer with the minister, who will be accompanied by the Deputy Minister of Agriculture, Dr. Grisdale, and the Veterinary Director General, Dr. Torrance. This meeting will be held in the Board of Trade rooms on Friday Dec. 19, at 2:30 p.m. Dr. Tolmie wishes to go into the mange problem fully with those present, report progress over his department and complete plans for the eradication of mange. Stock men from all parts of the province and from western Saskatchewan who are interested are cordially invited to be present. Thursday.

IMPOUNDED in the pound kept by John Peterson, 34-47-6, one black and white two year old steer, branded on right rib thus: One red and white two year old steer branded on left rib thus: One red cow, white face, with calf brand on left side thus: and on left thigh thus: One red year old steer branded on left rib thus: \$5.00 REWARD-OFFERED FOR information leading to the recovery of any cattle with the following brands: on right hip two year old steer. on right rib, two year old steer or cow. on right hip, cow. on right rib. Animal is subject to expense. Further information can be had from Jas. Esselment.

WINTER CIRCUIT TOURS The tours presented by the Grand Trunk Pacific Railway and Steamships for the season of 1919-20 are more numerous and inviting than ever before offered. Many people in this country find it desirable to take their vacation trips during the winter months, and with this in view the Grand Trunk Pacific have formulated a series of tours to Pacific Coast points and California, diversified and novel, at very attractive rates. Apply to any Agent of the Grand Trunk Pacific Railway for folder giving full particulars, rates, etc., or write to W. E. Duperow, General Passenger Agent, Winnipeg, Manitoba.

Mr. and Mrs. George Davy, who have been residents of this town for the past two and half years, have disposed of their property on Second Ave. to Mr. Albert Hedlund.

Mr. and Mrs. Davy left by Monday's train for Edmonton, where they will spend a few days with their son Ernie. From Edmonton they will go to Victoria, where they will spend the winter. Mr. Davy says he will return in the spring via G. T. P. if he fails to locate in that section of the country lying east of Prince Rupert.

The G. T. P. bunk house has been completed and Mr. J. Brooker, who had charge of building operations, returned to Calgary on Monday evening. The new bunk house is a credit to the community and is a great improvement over the old quarters as it is steam heated, and electrically illuminated, it also has bath and recreation rooms.

Train service through this point has been excellent of late.

#### TO MY PATRONS

Owing to the prevalent "High Cost of Living," it is my desire to reduce my prices to the very lowest point consistent with the successful operation of business. This cannot be done under the Credit System, which with its attendant loss of accounts and the expense attendant on the keeping and sending out of accounts necessitates a higher charge than would be necessary under the cash system.

For this reason, I have decided to put my business on a strictly cash basis on and after the first day of January, 1920, and believe that by so doing I will be able to benefit my patrons by a very considerable reduction in prices.

This change will necessitate the closing out of all accounts and I would request all who are indebted to me to call before the above date and settle their indebtedness, as after date I shall be compelled to place all accounts outstanding in the hands of my Solicitor for collection which will entail costs which I have no desire to incur.
